Private Dinners

We schedule private dinners at the café only during non business hours. This allows us to dedicate our time to our party guests.

We will book a dinner for groups of 10 or more and up to 65 people. Depending on the number of guests we will determine how many entrees can be selected. Special requests will be handled on an individual basis.

Appetizer parties will be charged per person based on the items that you choose.

A one time pouring permit for alcohol can be purchased for a fee of \$10.00. I will not sell the alcohol but you can bring it in with the permit.
